### Card

1. Trim kraft cardstock to 5.5" x 11" and fold to make a 5 1/2" square card.
2. Cut the Hollow Moon patterned paper to 5 1/4" square. Distress the edges with a file.
3. Cut two 4 3/4" strips with the scallop edge from the Umbrella Scallop paper. Distress the edges and adhere the strips to the top and bottom of the Hollow Moon paper panel.
4. Cut the Cutie Pie patterned paper to 4 3/4 x 4". Distress the edges with a file. Adhere the panel over the scallop strips. Machine sew along the top and bottom edges using a zigzag stitch and black thread.
5. Cut out a 5 1/2" star from the Rugged patterned paper. Machine sew the star to the panel using a straight stitch and blue thread.
6. Punch holes on each side of the Fascinating Chipboard Element with a hole punch.
7. Apply the Fascinating Sticker Book letters to the chipboard for the sentiment.
8. Use the paper piercer to pierce holes in the Fascinating Chipboard Element and chipboard star, and sew the layered button and chipboard star to the chipboard frame.
